Welcome Message

On October 25-27, 2023, Sungkyunkwan University (SKKU) and the Korean Association of Financial Engineering (KAFE) will co-host the 2023 SKKU-KAFE International Conference on Finance and Economics. It promises to be a gathering of brilliant minds–both passionate researchers and dedicated professionals from around the world–who will address important issues. As the president of KAFE and the head of Sungkyun Institute of Economic Research (SIER), it is my pleasure and great honor to invite you to attend this esteemed academic conference.

Our conference serves as a unique platform for interdisciplinary collaborations, where experts from diverse fields come together to share their insights, discoveries, and ideas. This, in turn, promotes further advances. Indeed, the significance of such collaborations cannot be overstated. It is often through the interaction of researchers from diverse disciplines that significant breakthroughs occur, new perspectives emerge, and transformative discoveries are made.

We have an exciting lineup of keynote speeches, paper presentations, and panel discussions. We will delve into a wide array of topics, ranging from traditional finance and economics to the disruptive forces of technology and innovation. Our agenda is thoughtfully designed to address key issues such as Artificial Intelligence, Big Data, Cryptocurrency, Digital Transformation, Energy Economics, ESG, Financial Innovation, Machine Learning, and Sustainable Finance. This event provides a wonderful opportunity to engage in spirited discussions, challenge existing paradigms, and explore novel approaches to the most pressing issues in our respective fields.

Our keynote speakers are Christo Auret (Editor-in-Chief, *Investment Analysts Journal*), Jonathan Batten (Editor-in-Chief, *Journal of International Financial Markets, Institutions & Money*; Co-editor, *Finance Research Letters*), Bart Frijns (Editor-in-Chief, *Journal of Futures Markets*), Ali Kutan (Editor-in-Chief, *Borsa Istanbul Review*; Co-editor, *Economic Systems*), Rose Liao (Editor-in-Chief, *Emerging Markets Review*), and Peter Szilagyi (Editor-in-Chief, *Journal of Multinational Financial Management*), all of whom serve as editor-in-chief of highly reputable and high-ranking SSCI journals.

Our invited speakers are Jaerim Choi (Professor, Yonsei University), Jianfeng Hu (Professor, Singapore Management University; CIO, Heritage Capital Management), Hyeng Keun Koo (Professor Emeritus, Ajou University), Woochan Kim (Professor, Korea University Business School), Jongsub Lee (Professor, Seoul National University), Xingguo Luo (Deputy Head, Zhejiang University), Arman Sahovic (APAC Head, Refinitiv, London Stock Exchange Group), Taihei Sone (Economist, Bank of Japan), Ken Umeno (Professor, Kyoto University), Robert Vivian (Professor, University of Witwatersrand), Robert Webb (Paul Tudor Jones II Eminent Research Professor, UVA McIntire School of Commerce), Jeffrey Wong (Professor, Macquarie University), Yuji Yamada (President, Japanese Association of Financial Econometrics and Engineering), and Adam Zaremba (Professor, Montpellier Business School – Grande école).

We gratefully acknowledge the generous financial support and other contributions to the conference from our co-sponsors. These include: the Korea Exchange (KRX); Korea Housing Finance Corporation; Korea Asset Management Corporation; Korea Securities Depository; KB Securities; Samsung Asset Management; Shinhan Securities; BNK Securities; S&P Global among others. We sincerely appreciate our co-host divisions, SKKU Department of Economics BrainKorea21 Four Program (Dean: Sunghyun Henry Kim) and SKKU ICT Challenge and Advanced Network of HRD Team (Chair: Eunil Park). We especially thank our long-standing academic partner, the Japanese Association of Financial Econometrics and Engineering (JAFEE) for their strong support and participation. We sincerely appreciate the steadfast support and relentless participation of our KAFE members and SKKU Global Finance Research Center (GFRC) fellows. Without their support, this series of SKKU-KAFE conferences would not have achieved its current high status.

I look forward to welcoming you to the 2023 SKKU-KAFE International Conference on Finance and Economics.
